*If you are on the schedule more than once, it is because the families scheduled to work on the days that were rained out, are the same families for the rain date.

As a full club member you are required by rule to work the tower. If for any reason you cannot work on your scheduled day it is YOUR responsibility to find a replacement and notify Claudette Boyzuck, our Head Scorer. If you don't find a replacement, or do not show up you will be fined \$50 which has to be paid before your family hits the track again. We understand that emergencies may happen, and it will be handled on a case by case basis. Please, for the kid's sake show up on time on your scheduled day. Without three scorers we cannot race by QMA rules.
